

\$1 From Every Southport Sharks Membership Goes To Charity.

The following charities were chosen as they support causes which closely align with the club's own visions and values, as well as the values of our membership base.

Gold Coast Health

Gold Coast Health provides care in hospital and community settings across the expanding Gold Coast region. Services include all major adult specialties as well as paediatrics. Chronic disease management is a key focus and community care environments.

Southport Special School

Southport Special School offers an inclusive curriculum for students aged 4 to 18 years incorporating elements of the Early Years Curriculum, Essential Learnings, Work Experience and Therapy-Based programs. The school focuses to provide students with a range of challenging opportunities to optimise their independence to learn and grow with acceptance, skills and attitudes in preparation for adulthood.

Rosies

Rosies are a not for profit organisation with a volunteer base of over 600 active volunteers across Queensland. Rosies provide friendship and practical support to some of the most abandoned people in our society offering them a range of services with the aim of creating a sense of 'home' in different places.

www.rosies.org.au

Please nominate the charity you would like your \$1 to go to on the application inside. If you do not nominate one particular charity the donation will be divided equally between the three charities. On behalf of the Southport Sharks and our three chosen charities, thank you for your support.
